

Certificate of Conformity

The Europress Press Fit Piping System has been evaluated by an Independent test laboratory against the requirements of AS 1940 and AS 4041, based on performance testing for certification to the relevant parts of AS 3688, A269 and ATS 5200.053. Results of testing to AS 3688 and ATS 5200.053 demonstrate that the Europress Press Fit Piping System is able to comply where relevant to requirements of AS 1940 and AS 4041 subject to specific engineering design installation requirements.

Document Reference Number: AIR-12-2-REP-4041-1
