Dear Jason

PRODUCT: Europress press-fit stainless steel system

APPROVAL TYPE: **ACCEPTED PRODUCT**

EFFECTIVE DATE: **17/01/2023**

EXPIRY DATE: **17/01/2026**

This letter confirms acceptance of the product subject to the provisions and definitions contained herein. The product will be listed on Watercare's product list according to the approval type.

As an accepted product it may be used for the specific function or operational area listed below but is not restrictive for exclusive use.

This product acceptance does not provide a guarantee of product procurement and does not infer or express acceptance of any conditions of quotation, sales or delivery.

1. The product description is:

Name	Europress press-fit system
Model	-
Configuration	Stainless steel (316L) pipes for pressure applications
Special features	Minimum Pressure rating PN16

2. Manufacturing details:

Quality assurance	<ul style="list-style-type: none"> ASME B31.3: Process piping AS3688 Water supply and gas systems-Metallic fittings and end-connectors AS5200.053 : Plumbing and drainage products - Stainless steel pipes and tubes for pressure applications
Certification Body	IAPMO R&T OCEANA Certification: WM-022265
Factory and location	

3. Information to be supplied with product:

Technical installation and maintenance instructions, handling and (any) assembly directions to be readily available	
Other	-

4. Watercare Specification(s):

No.	Name	Version
MS	<p>Materials Supply Standard</p> <p>General requirements</p> <p>a) Pipe and fittings shall be manufactured to AS 5200.053. b) Pipe and fittings shall be stainless steel 316L grade. c) Minimum pressure rating shall be PN16.</p> <p>Quality Control</p> <p>a) All products shall be marked in accordance with the conformity assessment body's requirements. b) Product certification (ISO type 5) to AS 5200.053.</p>	1.12

5. Limitations of acceptance:

Can be used at/for	Water and wastewater plant process applications – material selection fit for purpose
Cannot be used at/ for	-

6. Product illustration:
